A playbook that empowers sales managers to think like CEOs and act like entrepreneurs At , Elay Cohen created and executed the sales productivity programs that accelerated the company s growth to a \$3 billion-plus enterprise. After working with many organizations and further reflecting on his time at , it became apparent that one key player was best positioned to accelerate growth in organizations: the first-line sales manager. Empowering sales managers to own and execute their own sales programs, as entrepreneurs would, became the focus of this book and his technology company. First-line sales managers are the backbone of every sales organization. They make it happen. They re where the rubber meets the road in pipeline generation, revenue growth, and customer success. These sales managers serve as the voice of salespeople to organizations, and as the organizational voice back to salespeople. In this accessible guide, Cohen shares how sales managers can build an inspired, engaged team, equipping them with the tools they need to drive up sales productivity and grow the business.
