Reviews

An extremely wonderful pdf with lucid and perfect explanations. I could possibly comprehend every little thing out of this created e pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Janie Wilkinson)

BRAINTEASER MADNESS: MY FIRST ACTIVITIES - PRIMARY SCHOOL

Nanook Books Ltd. Paperback. Book Condition: new. BRAND NEW, Brainteaser Madness: My First Activities - Primary School, Tamara Fonteyn, Arthur Friday, Kasia Ceraży, This book contains nearly 70 exercises designed to allow children age 9 and above to strengthen and deepen their knowledge of simple mathematical operations (addition, subtraction, division & multiplication) as well as learn to reason logically, decipher and look for clues and draw conclusions. The exercises are presented in order of difficulty, which ensures an evaluation of your child's mathematical knowledge and potential. The book helps students with difficulties in maths to review each year's programme with a parent or teacher and better understand the essence of mathematical thinking. Each exercise targets a specific problem, asks questions and provides clues for children to find the solution-not in pre-set patterns but by promoting the development of individual reasoning.
