Brand New Book ***** Print on Demand *****.Eugenia Corais-known as Jenny-is a brilliant intellectual who aspires to transform her Columbia University activism into a media crusade. After she crosses paths with Dietrich Neuendorf, a charismatic, unyielding German human rights attorney haunted by his secret family past, they quickly fall in love. Meanwhile, eight thousand miles away, in Southern Africa, Rhodesian white settlers break away from the British Commonwealth and are surrounded by hostile Africans demanding immediate independence. The UN imposes an embargo on the former colony, while the hardline Rhodesian regime declares a state of emergency. As violence in the country intensifies, Dietrich is offered a job there to investigate civil rights violations, and a few weeks later, Jenny flies to Africa to join him. Together, they begin a dangerous journey in a tumultuous country on the brink of war. When Jenny meets an armaments contractor, an unscrupulous man of immense power and oppressive colonial military background, she will encounter a shadow government operating behind the mainstream political smokescreen. She will also discover a dark side she never knew existed - her own. Jenny s personal saga unfolds on a historical canvas that spans from cabaret Berlin and wartime Europe to the American Civil Rights era, the anti-Vietnam War protests, and the explosive final days of colonial Africa. EUGENIA: Destiny and Choice charts a quest for human awareness and social conscience in a political dystopia. The epic narrative follows three compelling characters tested by love and promiscuity, moral conflicts and momentous circumstances.
