Brand New Book ***** Print on Demand *****.Brian York, a very wealthy business man, had one love in his life other than his family: football. From a boy he had always supported his local team Halifax Town and although he was a Director, he had little say on the running of the club. Over three years he watched the club fall from the top of the 1st division to the bottom of the 2nd after buying expensive European players and employing an Italian manager had bankrupted the club. This is a story of one man s dream of building an all-England side for his club, who, with the help of his long-time friend Ray Radcliff, exceeds all his expectations.
