Brand New Book ***** Print on Demand *****.Dr. Julia Blanchard, a marine archaeologist, and her team of divers have spent almost eighteen months excavating the remains of a ship found a few miles off the coast of Georgia. Although they learn quite a bit about the nineteenth century sailing vessel, they have found nothing that would reveal the identity of the ship they have nicknamed The Georgia Peach. Consumed by the excavation of the mysterious ship, Julia s relationship with her partner, Amy, has deteriorated. When she forgets Amy s birthday and finds her celebrating in the arms of another woman, Julia returns alone to the Peach site. Caught in a violent storm, she finds herself separated from her boat and adrift on the vast Atlantic Ocean. Her rescue at sea leads her on an unexpected journey into the true identity of the Peach and the captain and crew who called it their home. Her travels take her to the island of Martinique, the eastern Caribbean islands, the Louisiana German Coast and New Orleans at the close of the War of 1812. How had the Peach come to rest in the waters off the Georgia coast? What had become of her alluring and enigmatic captain, Simone Moreau? Can love conquer everything, even time? On a voyage that lifts her spirits and eventually breaks her heart, Julia discovers the identity of the ship she had been excavating and the fate of its crew. Along the way she also discovers the true meaning of love which can be as boundless and unpredictable as the ocean itself.
