Pan Macmillan. Paperback. Book Condition: new. BRAND NEW, The Future for Curious People (Main market ed.), Gregory Sherl, If you could see your future with someone .would you? Meet Evelyn and Godfrey. Evelyn is breaking up with her boyfriend, Adrian, as she's seen their dismal future together at Dr Chin's office: the life they may have when they are both many years older, singing 'Happy Birthday' to a chihuahua and arguing about cheese. She hopes for more. Meanwhile, Godfrey is proposing to his girlfriend, Madge - who's not quite willing to take that leap. She wants to see their future together first .just to be sure they're meant for one another. Then, one day, Evelyn and Godfrey meet - and from that moment their lives become entwined. Sparkling, warm and witty, The Future for Curious People is a love story for anyone who's ever wondered if they're with The One, or The One Before Last. This novel combines the writing talents of twenty-seven-year-old newcomer Gregory Sherl, based on an original idea by award-winning author Julianna Baggott.
