BIG CAT

The Aeolian Press. Paperback. Book Condition: New. Paperback. 236 pages. Dimensions: 8.0in. x 5.0in. x 0.6in. Its on the prowl and its no pussycat. Nobody is safe. A deadly black panther roams leafy England in a fast-paced thriller with a predatory twist. The dense wooded hills of Londons Stockbroker Belt are home to those who make a killing on the financial markets, but now a predator of a different kind is on the loose. Wounded by a drunken shooting party on a Russian billionaires country estate, an escaped big cat begins to strike back at its unwitting attackers. One-by-one they are picked off. Some people believe the beast is a spirit of the forest incarnate sent to destroy those who desecrate ancient woodland, others that it is merely doing what big cats do on occasion: stalk and kill its hunters. In the ultra-rich county of Mid-Surrey, dog warden is not a job many people respect. Rosie Flinn wants to prove them wrong. Its an ambition that will change her life. Faith and Henry Olembe, Ghanaian servants to a wealthy couple, understand the silent ways of the panther and fear a dark, supernatural force is at work. Police detective Bob Coulston thinks nothing of the sort. Once mocked in the press because he claimed big cats live in the wilds of Britain, Coulston has never seen the beast, only its tracks, and the deer carcasses it leaves in its trail. When the panther slaughters one of its tormentors live on national radio, this unlikely foursome combines in an attempt to achieve what the British Army, the police, and hundreds of beer-swilling bounty hunters cannot do. They set out to track down the man-eater before it kills again. Their pursuit leads them from secret druids grove and medieval knights tomb to abandoned urban...
