Partridge Singapore, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The idea of writing a short story sparked during one visit to a cobbler some years ago, when I noticed a skinny cat sitting quietly next to its owner, with curiosity and interest on activities around the coffee shop. The thought of how a cat view the world started to develop. Thus began the attempt in writing an animal fiction. The original version was about a day in the life of a cat. It slowly evolved into a story about a cat and its two masters, with periods of misfortune and luck during its short and eventful journey in life. It is narrated through a cat s view of the human nature from its numerous encounters and keen observations. My own experience as owner of three domestic cats proved useful in describing the cat s behavior and the owner-pet relationship. Likewise the experience of rescuing strays and the multiple visits to veterinarian added more references in the writing. The story is also much about a typical day in the life of ordinary folks in Malaysia, although the protagonist is a lazy cat with cynical view of the humans. The various scenes described in the story were recollections of familiar places in the capital city during the 90s.
