Brand New Book ***** Print on Demand *****.Sometimes short stories are brought together like parcels in a basket. Sometimes they grow together like blossoms on a bush. Then, of course, they really belong to one another, because they have the same life in them. The stories in this book have been growing together for a long time. It is at least ten years since the first of them, the story of The Other Wise Man, came to me; and all the others I knew quite well by heart a good while before I could find the time, in a hard-worked life, to write them down and try to make them clear and true to others. It has been a slow task, because the right word has not always been easy to find, and I wanted to keep free from conventionality in the thought and close to nature in the picture. It is enough to cause a man no little shame to see how small is the fruit of so long labour.
