Viz Media, Subs. of Shogakukan Inc, United States, 2007. Paperback. Book Condition: New. Yuu Watase (illustrator). 190 x 127 mm. Language: English . Brand New Book. Imadoki!(Nowadays) follows the trials and tribulations of a budding horticulturist as she makes her way down the winding road to friendship. From Yuu Watase, one of Japan s most beloved shojo artists, Imadoki!packs comedic charm and heartfelt antics into an adorable bouquet of whimsical fantasy. It sure isn t easy being a working-class girl attending the most posh high school in town. Even more difficult is starting up a Gardening Committee in a place where every bit of flora and fauna is artificial (wouldn t want to flare up the aristocratic student body s allergies). It s a good thing that Tanpopo Yamazaki is as tenacious and full of moxy as they come. With her eye on the prize, and an adorable pet fox named Poplar, Tanpopo is prepared to make friends and plant flowers by any means necessary.
