Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

DOWNLOAD

Frilli, 2008. Book Condition: new. Genova, 2008; br., pp. 276, cm 12x19. (Tascabili. Noir). In un caldo ferragosto torinese Ulisse muore investito da un'auto: di lui non si conosce praticamente nulla: uomo irreprensibile, gran lavoratore, tranquillo e affabile con tutti ma senza amici e apparentemente senza affetti famigliari, insomma un'esistenza banale finita in un ancor più banale incidente. È così che il dottor Daidola, sarcastico e disincantato capo del personale della Conogel (azienda produttrice di cialde per gelati dove Ulisse era occupato come autista), con uno spiccato talento da gourmet del mondo femminile, si trova suo malgrado a dover indagare, per motivi amministrativi, su una disgrazia che si rivela col passare del tempo, sempre meno tale. In una Torino a tratti grotteschi, a tratti simpaticamente familiare, ormai lontana dal mito ambivalente della Grande Fabbrica ma ancora alla ricerca di una identità ben definita, si dipana una trama gialla che porterà il dottor Daidola fin nella lontana e ammaliante Sicilia, alla ricerca della soluzione di un dramma che ha le sue radici in un tempo lontano.
