America Star Books, United States, 2007. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.B-Jay Wilson was born Bevie J. Wilson on July 29, 1964, to Sharon Wilson. Growing up in her grandmother's home, she was raised along with her mother and her mother's siblings. She got the same upbringing as the other children. She grew up to become a single parent to two beautiful and wonderful daughters. Loving her girls taught her true love, undeserved but appreciated. It was her sixth grade teacher at Bullard Elementary school in Fresno, California, who first taught her about poetry. It was then that she began writing her deepest feelings on paper, always keeping them treasured in her heart. These words came straight from God and as she aspires to write these words of encouragement, she prays that these words will help you along your way. From God's heart to her heart straight to yours, enjoy.
