The galaxy is now the new frontier for humanity, but they are not the only ones to have that claim. As the Human race finally broke through the barriers of both Earth and the Sol system, a galaxy wide community awaited them. Many species were discovered, but the one race that humanity shared a soul with, are the immortal Centurians. From the union of both Humans and Centurians came a new race, and these new beings possessed the power of the Centurians and the will of the Humans. The history of the new beings is short compared to that of humanity, and the immortals. One of these beings, a young woman named Irene, has lost her memories. As she, wakes up on a small island on a deserted water world she seeks answers to her past. But a tragedy has occurred involving humanity and the new beings, if left unchecked war could erupt between the two species. Irene, along with a Human doctor named Jimmy Kane Johnson must race against time, to solve a mystery and prevent war. However standing in...
