Classroom Discourse Analysis: A Tool for Critical Reflection (Paperback)

By Betsy R. Rymes

Taylor Francis Ltd, United Kingdom, 2015. Paperback. Book Condition: New. 2nd Revised edition. 229 x 152 mm. Language: English . Brand New Book. This second edition of Classroom Discourse Analysis continues to make techniques widely used in the field of discourse analysis accessible to a broad audience and illustrates their practical application in the study of classroom talk, ideal for upper-level undergraduate and graduate students in discourse analysis, applied linguistics, and anthropology and education. Grounded in a unique tripartite dimensional approach, individual chapters investigate interactional resources that model forms of discourse analysis teachers may practice in their own classrooms while other chapters provide students with a thorough understanding of how to actually collect and analyse data. The presence of a number of pedagogical features, including activities and exercises and a comprehensive glossary help to enhance students understanding of these key tools in classroom discourse analysis research. Features new to this edition reflect current developments in the field, including: * increased coverage of peer interaction in the classroom * greater connecting analysis to curricular and policy mandates and standards-based reform movements * sample excerpts from actual student classroom discourse analysis assignments * a new chapter on the repertoire approach, an increasingly...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
