RELEASING DRAGONS (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.In the distant past, a war raged among the Red and Blue dragons until the Red leader was imprisoned and peace reigned once again. Today Sara is a twenty-year-old woman living in a time where dragons have taken on human form so they can live peacefully among humanity. Unknown to Sara, she was born a Gold dragon. To keep her protected, her birth mother bound her powers and memory and put her up for adoption-she was taken in and raised by a family in Georgia. But when the Red leader's guardian dies and leaves her estate to Sara, the Blue dragon leader sends his son to gain Sara's loyalty. Sara and the son's relationship grows into a deep love, but everything changes when the imprisoned Red leader is freed and convinces Sara of just who-and what-she really is. With the Red leader freed, tensions rise once again between the dragons as they stand on the brink of combat. Will peace reign once again? Or will another dragon war destroy everything? Filled with magic, intrigue, and passion, Releasing Dragons is a heart-pounding fantasy thriller about the power of revenge, loyalty, and love.
