Exact facsimile of the original edition, not reproduced with Optical Recognition Software. A Treatise on White Magic is considered to be one of her most important writings, as it is less abstract than most, and deals with many important subjects of her works in an introductory, even programmatic fashion. It was first published in 1934 with the subtitle The Way of the Disciple . She promulgated White Magic as a discipline to serve humanity. Bailey said the work was dictated telepathically by the Tibetan Master, Djwal Khul. It is offered as a basic textbook for the Western aspirant to initiation, and is divided into fifteen rules of magic, each one taking the reader further into the mysteries of spirituality. Topics discussed include: how an aspirant can best prepare himself for service, the various ray types of their influences, the relationship between the macrocosm and microcosm, the spiritual, causal, astral and physical realms and their interactions, the spiritual psychology of man (although this is dealt with much more fully in the Esoteric Psychology volumes), The Hierarchy of Masters, esoteric groups and schools, the spiritual centers (or chakras), the occult concept of the Seven Rays, meditation work and much more. One of the main themes is that of soul control. Students of the works of Alice A. Bailey and Theosophy believe that the ultimate purpose of White Magic is furtherance of the spiritual and material evolution of humanity. Specifically, this evolution is conceived in terms of the increased benevolent manifestation of seven spiritual energies or Seven Rays. It is further believed that adept practitioners of White Magic, wielding the power of the Seven...
